South Dakota Victory Author and composer unknown

Fight, South Dakota,
You're the pride of the Western plain
As we cheer each victory
Ever loyal will our love remain to you, South Dakota
You're a great university
So, Yipeeo, here we go forward today,
South Dakota victory!

Hail South Dakota by Oliver Johnson

Hail, South Dakota, Pride of the West,
Old alma mater, Noblest and best,
We rally 'round thee, Marching abreast,
Hail thee! Hail thee!
Riding the crest.
Thy sons and daughters ever will be
Loyal and true to thee.
Varsity, varsity, Hail varsity! U. S. D.

Get Along Coyotes by Fred Waring, Roy Ringwald and Pat Balard (1941)

Get along, you Coyotes, get along.
Sing a song, you Coyotes, sing a song.
For Vermillion and White
You gotta fight, fight, fight.
Get along, you Coyotes, get along.
Raise the dust, you Coyotes, raise the dust.
Win you must, you Coyotes, win you must.
Chase 'em on till they drop
Don't ever stop, stop, stop
South Dakota raise the dust, you Coyotes, raise the dust.
Cheer for the Coyotes,
We're for the Coyotes,
Cheer! We're here for vitory today.
Oh South Dakota, Go South Dakota,
Go! Go! Go! Dakota, win today!
